D Card information

Replacement

If your card has been lost or stolen, you (or someone else acting on your behalf) must apply for a replacement card within seven days. You should either fill in this form or if there are no changes to your details phone 0300 790 6109 (between 8am and 8.30pm Monday to Friday, and between 8am to 5.30pm on Saturdays). We only accept payments by Visa, Mastercard, Maestro or Delta over the phone. We will issue a replacement driver card within 5 working days of receiving a valid application.

Malfunctioning and damaged cards

If your card is damaged or malfunctioning, you should apply for a replacement within seven days, returning your malfunctioning or damaged card to us. Before you do this, try it in another Vehicle Unit (VU) to make sure it is the card, not the VU, that is not working properly. Check the VU manual to make sure that it is a card error. If your card is malfunctioning and you do not return it, we will treat it as being lost and you will have to pay a fee for a replacement.

You will have to pay for a replacement if the card is lost, stolen or has been damaged. You should attempt to download data from your card before returning it to DVLA.

Renewing your card

You will need to ensure that you apply for a renewal at least 15 working days before your driver card expires and the ability to record information is lost. Once the card expires it can only be used to display, print or download the data held on it. Expired cards do not need to be returned and should be kept for 28 days after expiry. Data must be downloaded from expired cards before they are disposed of.

You as the driver are responsible for ensuring that your digital tachograph driver card is renewed prior to the expiry of the existing card.

Collecting your card

You must make sure that the information has been downloaded from your old card before you hand it in to your nominated DVLA local office or VOSA testing station. When you collect your card you will have to hand in your previous card. If you don't, you will have to apply for a replacement and pay a fee.

E Proof of your UK address

We cannot issue you with a digital tachograph driver card unless you normally live in the UK.

If you have lived in the UK for less than 185 days in the last 12 months, you must provide proof of your UK address.

We accept the following types of evidence:

- tenancy agreement
- a gas, electricity, water or phone bill issued within the last three months
- a bank statement dated within the last three months
- a tax code notice from HM Revenue & Customs
- a letter from your employer/employment agency
- a work permit.

You must provide at least two of these documents as proof.
